ALMIRA PK-8 SCHOOL

CLEVELAND METROPOLITAN SCHOOL DISTRICT

CLEVELAND, OHIO

CONSTRUCTION COST:

$2.5 Million, 2013

CLIENT REPRESENTATIVE:

Hollie Dellisanti, CMSD
216.838.0406

Almira is a new Pre-K through 8 school for the Cleveland Metropolitan School District. This school features a seven acre site plan that gracefully provides separate parent and bus drop off areas, separate visitor and staff parking, separate Pre-K and 1-5 play areas, a play field, and a pervious pavement entry plaza with trees.

The school functions as an essential element to the urban, revitalized neighborhood, contributing to the project's LEED silver goal.
